Athletic Administration: Enhancing Organization Management

This course is a companion course to Strategies for Organizational Management and outlines an approach to the fundamentals and methods of athletic administration and alerts and educates athletic administrators regarding potential problems and possible solutions in areas such as special events, public relations, awards, fundraising, and Booster Clubs. The course also touches upon ways to increase or improve citizenship and sportsmanship through positive initiatives. Athletic Administrators will have a hands-on experience creating handbooks and a strategic plan for their school. ©NIAAA
