

MIAA Endowment Fund

Mission Statement

The MIAA Endowment Fund was established in 2013. The Endowment Fund supports student-athlete participation in Educational Athletics programs that distinguish athletic competitions from life-long learning opportunities. Through your support, funds raised will provide financial assistance to student-athletes throughout the state, giving them the opportunity to take part in programs such as: New England Student Leadership Conference, Girls and Women Leadership Initiatives, Sportsmanship Summit, The Camp Edwards Captains Challenge, Citizenship Day, and the Wellness Summit, as well as, various leadership and wellness workshops throughout the year. The goal of this fund is to preserve and create educational opportunities for student-athletes statewide. The Endowment fund aids in maintaining quality services under the umbrella of the five education based athletic "Pillars": Coaches Education, Community Service, Leadership, Sportsmanship and Wellness.

Support Given

The Board initiated distribution of funds in 2016/17 to member schools. As of December 2016 we have awarded financial assistance to six schools, allowing for over 40 students & adults to attend MIAA Educational Athletics events.

Endowment Games

Endowment games were created as a way to bring the Community together in supporting a cause. It allows schools to play a team they may not necessarily play in a regular season schedule and not worry about results because the Endowment Games do not count towards tournament seeding. Endowment games are a great way for member schools and local communities to generate revenue for their school while simultaneously becoming active participants in growing the MIAA Endowment Fund.

Legends

Our first Legends Event was held on June 16, 2016 at Gillette Stadium. The event honored some of the best student-athletes in Massachusetts that went on to succeed in athletics or business. The MIAA honored; Harry Agganis, Dana Barros, Joe Bellino, Doug Flutie, Tom Glavine, Rebecca Lobo, Richard Neal and Robert Kraft.

We are currently working on the next Legends Event to be held June 2018. Mark your calendars and enjoy a night of celebration while supporting the Endowment Fund.

Golf Tournament

This year we will be hosting our 3rd Annual Endowment Golf Tournament at Plymouth CC. This tournament has proven to be a great way for people to get involved with the Endowment Fund while enjoying a fun and relaxing day on the golf course.

The 2017 tournament will take place on July 31, 2017, once again at Plymouth CC.

For more information regarding the Endowment Fund events or how to apply for funds visit the [MIAA Endowment webpage](#).
