*“As a three sport, multi-year captain, her leadership and inclusive attitude is reflected in the respect shown to her by teammates, coaches, and opponents. Always the hardest working and least penalized athlete, Lily is both a role model and ideal ambassador for high school athletics. After considering several postgraduate offers and opportunities, Lily has chosen to commit to the US Naval Academy to play lacrosse. She personifies the spirit of the Bruins Award.”*

In fact, she has only received one penalty over her 3 years. She is a selfless player that puts her team first as demonstrated in her willingness to play any position when called upon while constantly encouraging and supporting her teammates. Torrey's teammates look to her due to her skill and maturity. She plays the game clean, respects her opponent & the decisions of the referees. Torrey loves the game of hockey but realizes it's just part of her education at Lincoln-Sudbury Regional High School. She's well aware of her time spent as a student-athlete and knows the importance of the experiences & friendships she'll take with her."*

**-Frank Sorrenti, Head Coach**

**Yasmine Giacalone**  
**Peabody Veterans Memorial High School '24**

*"Yasmine Giacalone stands as a remarkable embodiment of excellence, both on and off the ice. Her conduct not only brings distinction to herself but also reflects positively on her team, school, and community. Yasmine's commitment to teamwork extends beyond the confines of the game, as she actively identifies and nurtures the talents of her teammates, fostering a strong sense of camaraderie. A notable instance of her selflessness occurred in a previous season when she willingly relinquished her game jersey so that a senior without one could wear it. Moreover, Yasmine's dedication to community service is evident, as seen in her initiative to deliver meals to the local police and fire stations after a team dinner this season. On her own senior night, she exhibited selflessness once again by offering to rotate playing time with another player, ensuring that everyone had the opportunity to play. Yasmine's actions consistently embody the true spirit of sportsmanship and community involvement, making her an outstanding candidate for this award."*

**-Michelle Roach, Head Coach**

**Molly Roy**

*"Molly is a tremendous part of the PSHS school community. While Molly is a very strong hockey player, her positive demeanor in all encounters is what everyone thinks about when they hear the name Molly Roy. She is a strong student in spite of some very severe medical issues that have arisen over her time at PSHS. I know on the ice she is someone that Coach McCosh depends on, and she is a leader in all capacities. I highly recommend Molly for this award. In regard to this particular award, she epitomizes these items below in my opinion as her principal: A record of conduct on and off the ice that brings honor to self, team, school, and community. *"Cody is a high school hockey coach's dream. Not only is he an outstanding hockey player, but he is also a young man of high character and sportsmanship, as well as the perfect example of a student-athlete. Cody is one of the most coachable young men I have had the pleasure to work with in my 37 years of coaching high school hockey. He is an excellent "defensive-defenseman", having filled that role for the past four years. He has unselfishly taken on that task while often being matched against our opponents' top players. He excels at making good decisions with and without the puck on his stick. Over his four seasons of varsity hockey, he has taken only ONE minor penalty, all while playing a regular shift since his freshman year. Aside from his on-ice demonstration of sportsmanship, he has demonstrated character by being one of my players who actively participates in a group from our team which supports the local MS walk, raising funds for MS research. He has always demonstrated a willingness to help others. Finally, he is an outstanding student-athlete who has been on the Ludlow High School High Honor Roll for every marking term of his educational career. He is one I never have to consider losing from our team when grades come out."*

**Westford Academy '24**

*"Tyler is a two-year captain and three-year all-conference goalie for Westford Academy. Tyler is a great player and one of the best leaders we have had at the rink and within our community. Tyler has the uncanny ability to pull a team together and create a positive and inclusive atmosphere in the locker room. He is the first to congratulate the other team/goalie after a win or loss and always treats the officials with respect. He also bolsters a 3.5 GPA and is captain of the baseball team."*

Instead of allowing this challenging situation to limit his involvement, Mehki accepted numerous roles to help lead the team: managing social media accounts, mentoring the younger players, and assisting the coaches in every way possible. He has been a tremendous leader to his teammates by unselfishly doing everything he can off the ice to help the team. Although he has not been able to display it on the ice, Mehki has demonstrated a tremendous level of sportsmanship and leadership during this season in every other aspect of high school hockey."*

**-Jonny Abban, Head Coach**

**Chauncey Guenard**  
**Advanced Math and Science Academy '24**

*"Chauncey is an outstanding student-athlete. He has a GPA of 4.17 and has been awarded the Alger Scholarship. He is the captain of the hockey team and leads by example on and off the ice. He only has two minor penalties this year and he is one of our top players on ice per game. Chauncey always displays respect towards officials, opposing teams and their coaching staff and rink personnel whatever building we are in. It has been my pleasure to have had the opportunity to coach Chauncey for four years."*

**-Mike O'Brien, Head Coach**

**Caleb Greenberg**  
**Holliston High School '25**
