## 7. Mixed Gender Tournament Seeding Format (Sectionals)

- A. Each Tournament seeding committee will seed no more than nine (9) wrestlers per weight class.
- B. All other wrestlers will have their position drawn by lottery and placed in the first open bracket starting at the top of the chart and working down.
- C. All MIAA sanctioned schools participating in sectional wrestling tournaments will adhere to the following seeding criteria in the order listed:
  1. Record Against Common Opponents- **winning % against common opponents** (Head to Head First)
  2. A Contestant with a Superior Record Against Acknowledged Strong Opposition. (i.e. Wrestlers returning with post-season paperwork). [Click here](#) for the point system that **MUST BE USED** when deciding criteria 2.
  3. A Contestant with Post Season Paperwork; (1<sup>st</sup> thru 7<sup>th</sup> place) (New England's, All-States, States, 1 thru 5 for Sections). Preference will be given to the Wrestler Back at the Same Weight. Consideration should be given to previous season's weight class.

# 2023-2024 Wrestling Tournament Format

If a round robin occurs between three competitors, such as: A defeats B, B defeats C, and C defeats A, **you must continue with the remaining seeding criteria**. If, after exhausting all criteria a tie still exists, the names will be drawn out of a hat to break the tie. Once a name is drawn out of the hat for the seed, you must go through seeding criteria all over again with remaining round robin competitors. IE if C is drawn from the hat for the seed, you must go through process again with A and B, in which A would get the next seed due to the Head to Head victory. Repeat process until no more round robin competitors exists in that bunch.

**Head coaches are to submit all required paperwork at the seeding meeting.** All results must be entered on the FloArena website within 96 hours of a meet. Teams, who have not submitted the paperwork before the start of the tournament, **will be disqualified** from the competition. Seeding can be re-opened by the Sectional Chairman or Tournament Director if either discovers an error in a team's paperwork that influenced a wrestler's position, or if a seeded wrestler changes weight class the day of the weigh-ins. If a seeded athlete does not compete for any reason, the weight class will not be re-seeded, all wrestlers seeded behind him will move up one position.

**There is a limit of two coaches per team at the seeding meeting.**

You will have to make copies of the dual meet record form (one for each wrestler entered.) Please have the forms filled out before the seeding meeting. **You must also pass in all weigh-in sheets of the meets or tournaments in which your team competed.**

## 8. Mixed Gender Tournament Seeding Format (Divisional States)

Sectional champions will be seeded A1, B1, C1, and D1. All other wrestlers will fall into their respective slots in the 16-person bracket, A2, A3, A4, B2, B3, B4, etc. Only 5<sup>th</sup> place finishers at the sectionals will serve as alternates with the first alternate being from the sectional of the scratched wrestler followed by the highest seed (A5, B5, etc.). The alternate will be placed as the fourth place wrestler in that section and everyone else will move up one place (4<sup>th</sup> goes to 3<sup>rd</sup>, 3<sup>rd</sup> to 2<sup>nd</sup>, etc.) **If a Sectional champion cannot compete, the champions are reseeded in that weight class.** The order of each weight class will be:

<u>Upper Bracket</u>	<u>Lower Bracket</u>
A1	C1
D4	B4
C2	D3
B3	A2
B2	A3
C3	D2

The three divisional champs will be seeded first (A1), second (B1), and third (C1). The top 6 wrestlers from each Division will qualify and be placed in their respective slots. There will be two “pigtail” matches in each weight class (C6 vs. B6 , and A6 vs. C5). There will be wrestling for 7<sup>th</sup> place at all three Divisional States. 7<sup>th</sup> place finishers at the Divisional States will serve as alternates, with the 1<sup>st</sup> alternate being from the division of the scratch wrestler, followed by the highest seed (A7, B7, etc). The alternate will be placed as the 6<sup>th</sup> place wrestler in that division and everyone will move up one place (6<sup>th</sup> goes to 5<sup>th</sup> and 5<sup>th</sup> goes to 4<sup>th</sup>, etc.). **If a Divisional State Champion cannot compete, the champions are reseeded in that weight class.**

### 15. Assignment of Officials

To be eligible for an MIAA tournament assignment, an official must have an approved background check by the MIAA and in good standing - including fulfilling testing and training attendance requirements of the MIWOA. From there, a talent pool of officials is then considered and the assignor works that pool against evaluations and feedback from coaches and other officials; availability; experience; attitude; personal involvements with a team; assignment history and even geography. The Officials Association Executive Board provides feedback on the assignments and helps adjust appropriately. The deeper into the season a tournament - the higher the scrutiny of the officials' pool. The assignor keeps historical data on assignments and works to shift officials from repeating specific tournaments back-to-back years. All-State officials are limited to two (2) consecutive years. The assignor works diligently to assure MIAA tournament officials are positioned away from teams where there may be personal involvement. Match-by-match recusing is sometimes needed.

### 16. SAT/SAT SUBJECT TESTS:

- Wrestling Tournament Matches may be scheduled for February 10, 2024, the same date of the ACT Tests. Please tell all coaches & student-athletes now so alternative plans may be made. A listing of all dates and sports that may take place on schedule College Board exam dates can be found on the MIAA website.
- The College Board offers a SATR Program Alternate Test Date Policy. As stated in their published material: “The SAT Program will consider granting an alternate test date when the following criteria are met:”

*The conflicting event must be unexpected. Regularly scheduled sporting events or previously scheduled school activities, such as a prom, are not considered unexpected. An event such as an academic or athletic competition, in which students have advanced through the competition or into post-regular season competition, can be considered an unexpected event.*
