Clarify the process when the MIAA learns of a situation involving unsportsmanlike behavior

The MIAA Honor Roll recognizes schools if no ejections were received the previous year. Schools receive a patch (year) to add to their banner. The cost of the patches has increased over the past 2 years. Should this practice continue? Are schools displaying their banner?

The Sportsmanship Summit has always been held the Friday prior to Thanksgiving week. This year we will host it in March. Is March a better time of the year for schools and administrators?
