Sport Basketball

Course Length 6 hours

Total Modules 14

- Learning Points**
- Differentiate between the different types of fouls and the penalties associated with each
  - List the responsibilities of an official prior to the opening tip-off
  - List the conditions under which a goal is scored and points are awarded
  - Describe the process used by officials to start a game (jump ball), subsequent quarters in regulation, and extra periods
  - Determine when players and the ball are in-bounds and out-of-bounds
  - Locate the correct spot for the officials depending on the game situation including pre-game, timeouts, jump ball, throw-in administration, and movement of the live ball
