2023-2024 MIAA Tournament Host Site Fees – Lacrosse 2024 Beginning with Round of 16

Spring 2024 Tournament Host Site Fee Per Game	
Qty Tickets Sold	Lacrosse
Up to 600	\$1,300
601 - 1,200	\$1,480
More than 1,201	\$1,660

The MIAA Tournament Host Site Fees were determined using the anticipated staffing needs by sport (such as officials, auxiliary and ticket gate personnel, athletic trainer, and site director). The amounts listed above are per game stipends and will begin with the round of 16. An incremental amount has been added to the MIAA Tournament Host Site Fee amounts in chart above based on attendance, which requires greater staffing needs associated with larger crowds.

The fee will be paid to the financially responsible school (in most cases the Host school) and is intended to cover the above mentioned staffing needs, with the exception of custodial and police expenses. Invoices for custodial and police detail must be submitted to the Tournament Director for approval and processing.

Schools may set their own payment amounts for staff, however Game Officials' Fees must be paid at the approved rates per the Game Officials Committee.

MIAA Tournament Host Site Fee payments will be made upon the submission and approval of completed paperwork by the Tournament Director and sport liaison.

An MIAA Tournament Hosting Form for each event must be completed and returned to the Tournament Director prior to the Host Site Fee payments being mailed. This form is used to determine game expenses and should be completed, whether or not there are any additional costs to be incurred.
