Soccer Points of Interest and Clarifications:

1. Entering soccer infractions – we will be using [formstack](#) this year to enter them.
2. For discussion: use of Soccer Score Sheets
3. For Discussion: If a player receives a 2nd yellow card in a game it is recorded as a red card, and the player receives a 2 game suspension. For reporting purposes this only counts as 1 red card.
4. For clarification: In the Handbook, Rule 78.2.24 “Each team will be allowed a one-minute time out per half and each extended time period. The time-out may be called by the coach or any player on the field during an offensive restart.” I (which you have to click on the I to read): Point in question: Time out called during the dead ball time to administer a Caution to a player. That player may NOT reenter the game after the time out, but must wait until the next legal sub opportunity after the game has been restarted.
5. Handshake Rule for 2021 has been waived. All should follow the same protocol as last year – At the conclusion of the game teams will line up 10 yards apart and wave to opponent
