MIAA Partners in Prevention Membership Statement

The MIAA Partners in Prevention welcome membership from all agencies and organizations who accord with our vision and mission statement. Partners in Prevention membership is meant to be inclusive as the entire group benefits from participation by each of its members in one of the following categories:

PARTNER: “Partners” are any agency, organization, or individual who support the vision and mission of Partners in Prevention through attendance at a minimum of two (2) meetings per year. Partners are granted the use of the Partners in Prevention logo for use on all materials and will be given priority at all Partners in Prevention events. Partners make resources available upon request and whenever possible. Partners also receive updates, notices for events/conferences, meeting minutes, and access to resource information.

CONTRIBUTING PARTNER: “Contributing Partners” are any agency, organization, or individual that provides educational and preventative resources in accordance with the vision and mission of Partners in Prevention. Contributing Partners agree to make resources available upon request and whenever possible. Contributing Partners also receive updates, notices for events/conferences, meeting minutes, and access to resource information.

AFFILIATE PARTNER: “Affiliate Partners” are any agency, organization, or individual who have an interest in the work of Partners in Prevention and wish to stay in contact with this group. Affiliate Partners receive updates, notices for events/conferences, meeting minutes, and access to resource information.

VISION

That all agencies, organizations, professionals and volunteers who work with youth in Massachusetts cooperate and collaborate with one another to promote the health and well-being of all children and young adults.

MISSION STATEMENT

Partners in Prevention seeks to serve as a clearing house and a conduit to offer opportunities for improved information dissemination and service delivery. We are committed to providing mechanisms and structures that support improved services to youth. We strive to celebrate youth who make positive lifestyle choices.
