The mission of the MIAA/MSAA Diversity, Equity & Inclusion Committee is to foster diversity among member schools, athletic administrators, coaches and student-athletes by promoting inclusiveness, awareness, and acceptance. The focus is to celebrate all differences by creating associations that are welcoming and engaging for all.

The MIAA and MSAA extend sincere gratitude and appreciation to senior students who have committed to joining the Armed Forces of the United States of America after their graduation. In the 2020-21 inaugural year of this program, over 170 students were recognized by school leadership. The Associations look forward to seeing this number grow in the coming years.

### Student Advisory Committee 2021-2022

**STUDENT ADVISORY COMMITTEE (SAC)**  
is comprised of student leaders from MIAA member schools across the state. These students attend seasonal meetings and help facilitate student and captains leadership workshops throughout the school year. They participate in various association activities and provide continual feedback from the perspective of students on how to improve the Educational Athletic offerings of the MIAA.
