H. SUBSTITUTIONS

When a player has an injury, that player leaves the field of play and may be temporarily replaced. The injured player may return to play as soon as the medical staff has assessed/treated the injury, and cleared the player to return. A player may only be temporarily replaced once during the match, regardless of subsequent injuries. If a player is not available to return to the field of play within 15 minutes (actual time) of leaving the playing area, the replacement becomes permanent. (MIAA Rule 76.1.2)

I. GAME BALLS

For the State Semi-Finals and Finals, the Rugby ball must be a Rhino Vortex Elite match ball (size 5).

J. STARTING TIME

All tournament games on school days will begin no earlier than 2:30 p.m. and no later than 6:30pm. All times will be set by the home site Athletic Director in concert with MIAA Tournament Administrator.

K. POSTPONEMENT OF GAMES

Home site Athletic Director and MIAA Tournament Administrator may collectively decide to postpone a game. Postponed games are to be played the following day on the same field, if possible.

L. REGULATION PLAYING TIME

The time of the game will be two (2) 35-minute halves. There will be no stop time unless indicated by the officials. Half-time will be 5 minutes. Official time is kept on the field by the referee. *Teams will be allowed on the field thirty (30) minutes prior to game time.*

M. TIE BREAKING METHOD

A. When the score is tied at the end of regulation time, the referee will instruct both teams to return to their respective team boxes. There will be a five-minute rest period where teams may confer with their coaches; and the head referee will instruct both teams as to the proper procedure.

B. Procedure

1. One (1) ten-minute (10) overtime period will be played, which may end in sudden victory (first to score). Possession is to be determined by a coin flip. If the score remains tied after the overtime period, there will be a five-minute rest period and the game will go into kicks
2. Order of kicks will be determined by a coin flip and **all kicks must be drop kicks**. Three (3) kickers representing each team would kick from the 22-meter line (25 yards). **The kickers would have to be on the field at the time of the final whistle.** *Note: The drop kicks are to be 25 yards from the field goal post, thus if game is played on a football field, drop kicks should take place from the 15 yard line.*
3. Teams would alternate kicks until all six kickers (3 per team) had an opportunity. The winner would be the team that had converted the most kicks
4. If after three (3) kickers, per team, the tie is not broken, the three would kick again from 5 meters back (5 yards). If all players miss, the distance is not changed.
5. Teams would then alternate kicks until a winner is found. So team A makes first kick, team B misses first kick, team A wins.
6. Any player who is disqualified, may not participate any further.
