MIAA Sportsmanship Committee Highlights - March 15, 2022

The MIAA Sportsmanship Committee met on March 15, 2022, with 15 committee members.

Sportsmanship Summit: The current agenda for the 27th Annual Sportsmanship Summit was presented; key note and break-out session presenters were announced, awards winners were also announced.

The Committee would like to see the MIAA continue the tradition of awarding yearly honor roll patches to schools that do not have any player/coach ejections; as well as supply a school with a banner for their first year making the honor roll list.

The Committee would like to see if the Sportsmanship Summit could be held earlier in the fall. The hope is the students that attend will bring back positive messages and be role models during the tournament, and the next two seasons.

Fall Tournament: Positive feedback received by the MIAA for the fall tournament was shared with the group.

Rule Change Proposals: In an effort to be more consistent, the Committee discussed making a couple of rule change proposals for the next cycle that would add more consistency with sportsmanship-related matters.

Next Meeting: June 13, 2022, 10:00am, Virtual
