

MIAA Gymnastics Committee Highlights May 3, 2022

The MIAA Gymnastics Committee met virtually with 14 people in attendance including Committee members, Tournament Directors, media, and MIAA staff.

Tournament Directors Report: Tournament Directors Mike Denise and Amelia Braun reported on their respective Winter State Championship Tournaments. Mike reported that some last-minute changes had to be made to both the date and site for the Boys tournament and thanked Burlington HS AD Shaun Hart and his staff for hosting a great event. There was a discussion on how to grow the number of Boys gymnastics teams.

Amelia thanked the staff at Algonquin HS for, once again, hosting both the North and South Sectionals and the State Championships. Thanks to a great Championship staff, and the enthusiasm of the participating schools, these too, were wonderful events. Algonquin has already been secured as a host site for 2023.

Formats: All Gymnastics Formats were reviewed and edited with appropriate updates and changes.

Motion: To approve the Western Mass format (K. Ostberg/J. Winders)
APPROVED unanimously

Motion: To approve the Winter Format (P. Chausse/M. Gill)
APPROVED unanimously

Next meeting: Fall 2022
