

MIAA Selects State Championship Venues for Baseball & Softball

The Massachusetts Interscholastic Athletic Association (MIAA) has secured top-notch venues to host the 2022 MIAA State Championships for Baseball and Softball.

MIAA State Championship Baseball games will be played on Saturday, June 18 with two games at Fitton Field at College of the Holy Cross and Worcester Bravehearts, and three games at LeLacheur Park, former home to the Lowell Spinners. These championship venues are familiar hosts of MIAA Championship Baseball and will provide a high-quality experience for MIAA student-athletes, coaches, and spectators. The rain date is Sunday, June 19. MIAA Baseball Tournament Director and Lowell High School Athletic Director, Dave Lezenski stated, "The MIAA and the School Districts across the state are excited to have many of the finest baseball stadiums hosting our MIAA Baseball Tournament Finals. It is only fitting that the best facilities be paired with the best student-athletes to compete for the MIAA Baseball Championships."

Fitton Field, College of the Holy Cross

LeLacheur Park, Lowell

MIAA Softball State Championship games will be played at Sortino Field on the campus of UMASS Amherst. Home to the Atlantic 10 Minutewomen, Sortino Field boasts excellent facilities to provide MIAA student-athletes, coaches and spectators with a most memorable experience. Games are scheduled for Friday and Saturday, June 17 and 18, with Sunday, June 19 as a rain date.

Martha Jameson, MIAA Softball Committee Chair and Athletic Director at Silver Lake Regional High School, commented, "Sortino Field is truly the home of Massachusetts softball. Named for an NCAA Hall of Fame Coach, the program boasts 23 Atlantic 10 Championships, 21 NCAA appearances, three College World Series teams ('92, '98, '99), numerous All-Americans, and the program's only National Player of the Year and Olympic gold medalist, in current head coach Danielle Henderson. As a player on the first two Atlantic 10 championship teams in the early 1980s, I am most grateful to have been a small part of something so special due to the hard work and tireless advocacy by my coach, the late great Elaine Sortino."
