MIAA Selects State Championship Venue for Tennis Tournament

The Massachusetts Interscholastic Athletic Association (MIAA) has secured the prestigious Massachusetts Institute of Technology (MIT) to host the 2022 MIAA State Team Tennis Championships.

MIAA State Team Tennis Championship matches will all be played on Saturday, June 18 at the duPont Tennis Court complex on the campus of MIT in Cambridge, MA. Home of the NCAA Division 3 Men's and Women's Tennis program, this vast venue will afford matches for the boys and girls teams to play simultaneously providing a championship atmosphere for athletes and schools alike. MIAA Tennis Tournament Director Ron Ford noted, "The duPont Tennis Center at MIT is a tremendous 12-court facility that will enable the MIAA to host all eight State Championship Finals at one site. It has been our vision to host this championship event at a collegiate-level facility. The MIAA Tennis Tournament Leadership Team is thrilled to be hosting the first MIAA Statewide Team Tennis Championships in a venue that allows our student-athletes, coaches, and fans to proudly celebrate the sport of high school tennis and the teams competing for a State Championship." MIAA match play begins at 9:00am with an all-day ticket available to purchase online at:
