MIAA Field Hockey Committee Meeting Highlights December 17, 2020

The Field Hockey Committee met virtually on December 17, 2020 with approximately 23 people on the call including field hockey committee members, MIAA staff and members of the media.

TMC Updates: The committee was provided an overview of the recent TMC committee discussion regarding a new power rating formula proposal. Committee members will have the opportunity to provide input to the TMC if this proposal is approved to move forward.

The committee discussed need to revise format language for new statewide tournament structure. These updates will be reviewed at a future meeting date.

Fall II modifications: The committee will meet to assess Fall II sport modifications for presentation to the Sports Medicine committee in late January. Committee members have been asked to gather Fall I feedback from their constituents to assist in decision making regarding possible adjustments to the previously approved modifications.

NFHS Rule Proposals: The committee voted on NFHS rule proposals currently under consideration by the NFHS. This input will be submitted to the NFHS field hockey committee for consideration at their upcoming January rules meeting. You may view the NFHS rule proposals [HERE](#).
