MIAA Sports Medicine Committee Meeting Highlights – July 27, 2020

The MIAA Sports Medicine Committee met on July 27, 2020 with focused discussion again on topics related to the COVID-19 pandemic and fall 2020 participation in interscholastic athletics.

MIAA COVID-19 Task Force: Dr. Bob Colandreo and Dr. Alan Ashare provided an update on the current information coming from the Task Force.

Return to Play: The SMC revisited the first draft of their Return to Play document originally offered in June. The SMC offered an edit to the categorization of sports, which now will be identical to three levels of sports most recently published by the Massachusetts Executive Office of Energy and Environmental Affairs on July 24, 2020.

Motion: To send the draft Return to Play document forward to the MIAA COVID-19 Task Force. **APPROVED** 26-0-0

Dr. Jorge Fleisher joined the SMC committee this meeting. He is an Infectious Disease Specialist and St. Elizabeth's Medical Center. Dr. Fleisher offered some more detail about the COVID virus and its impact on students.

Next Meeting: August 10 at 4:00 PM.
