MIAA Sports Medicine Committee Highlights August 31, 2020

The MIAA Sports Medicine Committee (SMC) met on August 31, 2020 with focused discussion again on topics related to the COVID-19 pandemic and fall 2020 participation in interscholastic athletics.

The agenda for the meeting was open with initial discussion about recently approved sport modifications for Fall 2020. Members of the committee offered thoughts and ideas around preparing for the upcoming season. Committee members also discussed challenges for athletic directors as they work to manage non-fall sport practicing and conditioning. No actions or votes were taken.

At the end of the meeting, members discussed the wearing of facemasks during inclement weather. Suggestions were offered that the viability of masks may be compromised if wet. Members discussed the weather and lightening protocols and the challenge to shelter and maintain social distancing.

Next meeting: TBD
