MIAA Tournament Management Committee Meeting Highlights June 24, 2021

The Tournament Management Committee (TMC) met virtually on June 24, 2021 with approximately 25 people on the call including TMC members, Member School Athletic Directors, MIAA staff and members of the media.

Executive Session: The TMC moved into Executive Session to discuss legal matters with Association Attorney.

After Executive Session

Division IA Tournament Update:

Jim O'Leary reported out on previous week's subcommittee meeting in which all sport committee chairs/designees and liaisons were invited to discuss Division 1A tournaments. At that meeting, the Baseball and Hockey Committee reps presented their rationale regarding the reason the 1A tournament should continue as they have in the past.

Discussion was had with TMC members regarding the 1A tournament criteria (previously adopted by TMC with a vote of 12-2).

Motion: The criteria for the four years remains in place. The TMC will review data after two years to determine if there is enough data, at that point, to show dominance in any sport. (J. Newhall/T. Bazydlo)

APPROVED 16-0.

Spring 2021 Spring Tournament Update – Spring tournament games are moving on and going well.

Seeding went extremely well, with a minimum of disruptions allowing for a more efficient seeding process.

Next Meeting Date: Potential for second week of August 2021.
