Tournament Management Committee Meeting Highlights – August 27, 2020

The Tournament Management Committee (TMC) met virtually on August 27, 2020 with approximately 28 people on the call including TMC members, Member School Athletic Directors, MIAA staff and members of the media.

Sports Tournaments 2020-2021:

Fall sport specific modifications will be released by September 1st. MIAA will not offer post-season tournaments this coming fall season. However, the new four season structure does allow for the possibility of future post-season play. The timeframe for a decision regarding future post-season play will not be made before the EEA reevaluates prior to each season.

Alignments:

Fall and winter proposed alignments were slated to be released by TMC on September 1st. Motion made and seconded to move the release date to October 1st.

Rankings:

A sub-committee will be reconvened to further evaluate and shape the use of a post-season power rating system.

Next meeting date:

Next TMC meeting scheduled for September 24, 2020
