MIAA Tennis Committee Highlights February 23, 2021

The MIAA Tennis Committee held their scheduled meeting virtually on Tuesday, February 23, 2021. Approximately 27 people were on the call including committee members, MIAA staff and members of the media.

Tennis Format: The 2021 Tennis Tournament Format was approved. At the time of this meeting there has been no final decision regarding a spring tournament.

The 2021 Individual Tournament Format was discussed with the decision to wait to review until the decision on spring tournaments is confirmed.

Tennis Ranking System: Implementation of the Universal Tennis Ranking system (UTR) was discussed. The decision was made to hold off on a UTR pilot/rollout until spring 2022.

Tennis Modifications: The Committee was provided with updated EEA guidelines and a review of the current General modifications section. The Tennis modification sub-committee presented a draft proposal to the full committee. Modifications will be presented to the Sports Medicine Committee on March 8, 2021.

Next meeting: Fall 2021
