Online & On-Campus Options Available

FOR IMMEDIATE RELEASE

In an effort to provide high quality educational opportunities to our membership, the Massachusetts Interscholastic Athletic Association (MIAA) is proud to partner with Merrimack College on presenting the following Graduate/Undergraduate programs. Should you have any questions, please reach out to [LAINIE FLIPP](#) for more information.

M.ED. Programs - Online

Earn your [M.ED.](#) and Initial License, or add-on license through our nine available programs. Whether you are looking to receive your initial license, add on a license, or look into a new career, our M.Ed. programs may be just what you were looking for. For additional information, please consider viewing one of our recent [M.ED. WEBINARS](#).

MS in Management - Online

Merrimack's **MS IN MANAGEMENT** program is delivered 100% online and offers opportunities to build critical skills required in business. The program curriculum is customizable and offers concentration options in different genres of business to provide deeper learning in a specialization relevant to your academic and professional goals.

Graduate Health Sciences Programs - On-Campus

Merrimack College also features several graduate programs in the area of Health Sciences. Several programs are available including Athletic Training, Community Health Education, Exercise & Sports Science, and Health & Wellness Management. Please visit our **HEALTH SCIENCES** page for more information.

Additional Merrimack Graduate Programs are Also Available – Online

- **MS IN ACCOUNTING** - Customizable program based on your undergraduate degree background
- **MS IN DATA SCIENCE** - teaches students to solve problems using the latest tools and analytical methods
- **MS IN BUSINESS ANALYTICS** - teaches students to solve problems and visualize data sets
- **MS IN HEALTHCARE ANALYTICS** - teaches students to analyze data and process information through the lens of the US healthcare industry

For additional information on any of our Graduate programs, we invite you to register for our upcoming Graduate Information Session.

Register-Graduate Information Session

Bachelor Degree Completion - Online

Complete Your Undergraduate Degree!

Merrimack College's online **BACHELOR DEGREE COMPLETION** program was designed to address the needs of the part-time learner. The marketplace is rich with workforce potential, and Merrimack College has developed a program that counts your experience on the job or in the classroom, while presenting an affordable, vigorous curriculum that provides student support, including career counseling throughout your studies.
