

MASSACHUSETTS INTERSCHOLASTIC
ATHLETIC ASSOCIATION

To: MIAA Superintendents, Principals and Athletic Directors
From: Bill Gaine, MIAA Executive Director
Re: Updated MA EEA Guidelines
Date: October 2, 2020

The MA Energy and Environmental Affairs Office released today updated guidance for Youth and Adult Amateur Sports Activities Phase III. The full document is located on the MIAA COVID-19 webpage (www.miaa.net). These updates will be effective on Monday, October 5, 2020.

Specifically, the amendments modifies the spectator capacity limits for outdoor venues:

- In Phase 3 Step 1 Communities, the guidance still only allows no more than 50 spectators
- In Phase 3 Step 2 Communities, the guidance now allows no more than 100

Indoor venues are still limited to 1 spectator per player under 21 *but* there is increased maximum occupancy cap for indoor facilities to 50% (it was previously 40%).

Members will be notified of future updates accordingly. Please view the updated EEA Guidelines in their entirety [HERE](#).

Stay well.
