SOCKTOBER Challenge!**

On October 10, 2022 people around the world will change the lives of homeless people in their local community.

Let's tackle homelessness together.

S are the most needed but least donated article of clothing in homeless shelters.

We are asking all Student Ambassadors who are attending the Educational Athletics Summit on October 21, 2022 to help out:

1.) Please set up a sock collection bin in your school or at a location in your community. Then bring the donated socks with you the day of the Summit!

2.) Wear something the day of the Summit that represents your school!
