## Entry Information - School's/Athletic Director's/Coach's Responsibilities

### Accuracy of Entries:

It is the athletic director's and/or the coach's responsibility to correctly submit all tournament entries. Inaccurate or incorrect entries will be rejected and the athlete will not be accepted into the meet. A violation of qualifying criteria will result in a follow up with school administration and may involve a hearing before the MIAA Cross Country/Track & Field Committee.

Electronic entry via the Direct Athletics website certifies that you have read and agree to the following: *We have read, understand, and will abide by the MIAA Handbook as well as the rules for Indoor Track & Field. Further, we have received and read the entire Indoor Track & Field Format and agree to abide by all of the requirements contained therein. We alone are responsible for rule violations and realize that they will result in Tournament disqualification.*

### Direct Athletics:

1. All entries must be completed through Direct Athletics website: [www.directathletics.com](http://www.directathletics.com)
2. For information and help setting up a Direct Athletics account go to [https://www.directathletics.com/new\\_coach\\_validate.html](https://www.directathletics.com/new_coach_validate.html)
3. Entries MUST include where and when the performance was achieved (Qualifying performances for the 2023 Outdoor Season can come only from MIAA sanctioned meets contested during the 2023 Outdoor Season).
4. Performances without "where and when" info will be rejected. Additionally, qualifying performances can be challenged by coaches or the Meet Director prior to the start of the meet.
5. If the field is not filled with automatic qualifiers, the tournament director will fill the field to the minimum number of athletes per event. Therefore, you may enter athletes who have NOT made the automatic qualifying standards. Fill-the-field qualifiers in the 100m, 200m, and 100/110m hurdles will come from FAT times only.
6. Automatic qualifier standards and minimum field size are included in the Divisional Championship pages in this packet.
7. Entries are viewable on Direct Athletics and can be accessed through the "Upcoming Meets" section of the site—do NOT log-in to your account to view entries.
8. Seeding committees will assist the Tournament Directors in the vetting of entry performances. Coaches interested in serving on a seeding committee should contact the relevant Director.

### Entry Rules/Limits:

1. No athlete may be entered on Direct Athletics into more than three individual events for which they have made the automatic qualifier.
2. In the event of an athlete being accepted into more than three individual events due to filling of the fields, the coach MUST scratch the athlete down to no more than three individual events by contacting the Tournament Director after the posting of the preliminary performance list (relays do not count toward the 3 event maximum).
3. On the day of the meet, coaches must declare athletes for their events on their actual declaration sheet. Athletes can be declared in up to three individual events with no relays; or fewer than three individual events with any number of relays. Any athlete with entries in excess of the above limits will be scratched by meet management from the excess events by following the listed order of events.
4. A school may enter up to 8 names for each relay team. Only one relay team per school is allowed. When relay teams check in for their race, they will submit a relay card that includes the 4 competing athletes. This will allow for the posting of accurate results and serve as a check on event limitations.

## Check-in Information - Day of Meet Responsibilities

### Facility Entry/Athlete Supervision:

1. All athletes must be accompanied by a coach or school representative. If non-school personnel accompany an athlete, they must bring a signed approval from the high school principal to chaperone and represent the competing athlete.

### Packet Pick-up:

1. Team packets with entries, bib numbers, and declaration/scratch sheets should be picked up by a coach.
2. Coaches will need to complete scratches at packet pick-up for any athletes not competing in an event for which they are entered and return to the official. If an athlete (or relay) needs to be scratched during the meet, please see the meet director.
3. Coaches will need to turn in a completed Emergency Contact Form (found on the last page of this packet) when they pick up their team packets.

## MEET Management Information

### General Rules:

1. **All MIAA rules will be followed:** High school track and field in Massachusetts is governed by the latest edition of the National Federation (NFHS) rule book for Track & Field, except where modified within this document/by the Games Committee.
2. **Spikes:** Only ¼" Pyramid spikes are allowed. Use of illegal spikes may result in disqualification.
3. **Restricted Areas/Coaching Boxes:** Non competitors are not allowed inside the track. Coaches are not allowed inside the track, with the exception of the designated coaches' boxes.
4. **Scoring/Awards:** In the Divisional meets, scoring will be 10-8-6-5-4-3-2-1. Medals will be awarded to all scoring athletes and the top two teams will receive trophies. 5. **Jury of Appeals:** A jury of appeals composed of 3 officials and 2 coaches will be assigned to hear written appeals submitted to the referee.  
**Para Athletes: (Para Format To Be Linked When Received)** Whenever possible, para athletes will be included in traditional heats/flights. Seeding procedures may be adjusted in such cases, as necessary (example: a hearing impaired athlete moved to an inner lane to recognize false starts). Rules and regulations regarding para athletes can be found at: <https://www.paralympic.org/athletics/events/rules-and-regulations>. Point of contact at Adaptive Sports New England: Joe Walsh, 617-690-9103.

2. **Field Events Competition Order:** Field event athletes can be excused for a maximum of 15 minutes for competition in another event.
3. **High Jump Marks:** No high jump marks are permitted within 2 meters of either standard.
4. **Equipment:** Starting blocks will be provided. Relay teams must bring their own batons. Throwers must bring their own NFHS compliant implements, which will be weighed/inspected.
5. **Pentathlon:**
  - a) Athletes must have certified performances in all five (5) events from the current outdoor track season only.
