6. RULES

National Federation Soccer Rules for Boys' & Girls' will be followed - Unless otherwise modified by MIAA.

7. REGULATION PLAYING TIME

Each team will be granted a minimum of 20-minutes on-field warm-up time. The time of the game will be two (2) 40-minute halves. There will be no stop time unless indicated by the officials. Half-time will be 10 minutes. Official time is kept on the field by the referee.

8. TIE BREAKING METHOD

1. When the score is tied at the end of regulation time, the referee will instruct both teams to return to their respective team boxes. There will be a five-minute rest period where teams may confer with their coaches; and the head referee will instruct both teams as to the proper procedure.
2. Procedure
 - a. There will be a ten-minute sudden victory overtime period. **In the State Final ONLY, this overtime period will be fifteen (15) minutes.**
 - b. A coin toss shall be held as in National Federation Soccer Rule 5-2-2(d) (3).
 - c. If a tie still exists after the first ten-minute sudden victory period, a second ten-minute sudden victory period will be played and teams will change ends. **In the State Final ONLY, this second overtime period will be fifteen (15) minutes.**
 - d. If the score still remains tied all coaches, officials, and team captains shall assemble at the halfway line to review the procedure outlined below:
 - A. The referee(s) shall choose the goal at which all of the kicks from the penalty line shall be taken.
 - B. Each coach will select any 5 players from his/her final roster (excluding those who may have been disqualified) for the first round of kicks. These five selected players will all shoot, unless a winner can be determined in 3 shots, in any order according to the coach's decision. The coach may substitute for any or all players in this original group, **prior to their turn.**

2023 Soccer Tournament

- C. A coin toss shall be held as in rule 5-2-2(d)(3).. The team winning the toss shall have the choice of kicking first or second.
 - D. Teams will alternate kickers. There is no follow-up on the kick.
 - E. The defending team may change the goalkeeper prior to each penalty kick.
 - F. Following five kicks for each team, the team scoring on the greatest number of these kicks shall be declared the winner.
 - G. Add one goal to the winning team score and credit the team with a victory. An asterisk (*) may be placed by the team advancing to indicate the advancement was the result of a tie breaker system.
- f. If the score remains tied after each team has had five kicks:
- A. Each coach will select another five eligible players, who did not participate in the preceding round. This group may shoot in any order and be substituted for, prior to their turn, as determined by their coach. This round is in "Sudden Victory" mode, unlike the first round. The team with the most goals after an equal number of attempts is declared the winner.
 - B. If a tie exists after this round is complete, each coach will select ANY five shooters for Round #3. They may shoot in any order and be substituted for as in paragraph 5a. This round continues in "Sudden Victory" mode.
 - C. If a tie still exists, each coach will select five players for Round #4 who did not shoot in the preceding round. They, too, may shoot in any order and be substituted for by any eligible player who did not shoot in Round #3. "Sudden Victory" mode continues.
 - D. If a tie still exists, the sequence repeats as written in paragraph 5b above (the numbers of these "Rounds" are to be changed appropriately). A winner is declared when one team has more goals and an equal of fewer shooter attempts.
 - E. It is important to note that in every odd numbered round of kicks, ALL players on the roster, excluding those who have been disqualified, are eligible to participate. In every even numbered round, players who just participated in the preceding round are NOT eligible.
- g. During the tie-breaker penalty kicks, the ball remains alive until its momentum is spent, it goes out of bounds, or it is retouched by the kicker.

9. STARTING TIME

All tournament games on school days will begin no earlier than 2:00 p.m. On Saturdays, Sundays, and Holidays, the time will be set by the Tournament Director. Schools are asked to check evening preference should lights be available at their home site.

10. ADVERSE CONDITIONS

The officials have charge of the game from the opening whistle on and will be guided by the National Federation rules for the year in determining whether or not the game should be stopped. (Example: Playing conditions are unfair or dangerous for players, darkness, etc.)

- A. If a tournament game is suspended in the 2nd half due to weather, both teams will return the next playable day to complete the game from where they left off on a playable field. Both Schools can mutually agree to end the game as is (eg: lopsided score in the 2nd half may warrant a team not wanting to return).
If less than one (1) half of the game has been played, the game will be replayed in its entirety the next day.
- B. If the game is tied when called in the 2nd half or the overtime periods, the two teams will return the next day to the same field and play two (2) 20-minute halves in their entirety switching ends

2023 Soccer Tournament

at the end of the first 20-minute half. If after 40-minute play, the score is still tied, then the tie breaking procedure should be followed.

11. POSTPONEMENT OF GAMES

Only the Tournament administrator may decide to postpone a game. Postponed games are to be played the following day on the same field, if possible.

12. MISCONDUCT PROCEDURES:

A. Cautioned Players:

1. One of the five players selected to take a kick is cautioned after he/she takes the kick. That player is not eligible to kick again until one complete set of five kicks, for which he/she would be otherwise eligible, has been completed beyond the set of kicks in which the caution was issued.
2. One of the five players selected to take a kick is cautioned before he/she takes the kick. That player is not eligible to kick until the next set of five kicks. Another eligible player not listed in that set of kicks must take the cautioned player's original turn.
3. When a goalkeeper is issued a caution during any set of five kicks, he/she cannot re-enter until the next opponent completes his/her kick. A substitution is permitted for the cautioned goalkeeper.

B. Disqualified Players

1. Any player, including the goalkeeper, who is disqualified, may not participate any further. If his/her kick is not already completed, a substitute is permitted.

Examples:

- (1) Player "X" is one of the first five kickers, and is cautioned after taking his/her kick. Player "X" is not eligible to kick again until the set beginning with the 16th kick.
- (2) Player "Y" is one of the second set of five kickers and is cautioned after taking his/her kick. Player "Y" is not eligible to kick again until the set beginning with the 16th kick.
- (3) Player "X" is a kicker in any set of five kickers and is cautioned before taking his/her kick. Player "X" is not eligible to kick until the next set of five kicks. Player "X's" kick in the set of five in which he/she was cautioned must be taken by another eligible player is not listed in that set of kicks.

13. TIME OUT RULE (MIAA Handbook Rule 78.2.24): "Each team will be allowed a one-minute timeout per half and each extended time period. The time out may be called by the coach or any player on the field during an offensive restart." Interpretation: A team with the offensive restart may request, and be granted a timeout during each timed overtime period, BUT NOT DURING ANY SET of overtime penalty kicks. **Either team may request a timeout after goals, cautions, or disqualifications, after an injury timeout, and at the taking of a dropped ball.** Timeouts, if not used, are NOT cumulative and may not be carried over to the next period of play.

- Time out called during the dead ball time to attend to an injured player:
 - That injured player may reenter the game after the time out.
- Time out called during the dead ball time to administer a caution to a player:
 - That player may NOT reenter the game after the time out, but must wait until the next legal sub opportunity after the game has been restarted
- If the restart is a penalty kick, then the kicker MUST be someone who was on the field when the foul was called. Therefore, the referees should ask the team taking the PK to choose a kicker PRIOR to allowing the teams to have the time out. (NOTE: clock is still stopped during all of this).

14. GAME BALLS

Tournament administrators will provide Wilson NCAA VIVIDO MATCH soccer balls for the State Semi-Finals and State Finals games.

15. UNIFORMS

16. NUMBER OF PLAYERS

Maximum size of a tournament team shall be consistent with State Tournament requirements, which are 30 players per team. Extra players must be covered by liability insurance paid for by their school.

17. SPORTSMANSHIP RULES

All athletes serving game suspension(s) as a result of infractions during the regular season will have the remainder of their suspension continued into Tournament play. However, both players and team card accumulation will begin at zero (0) in Tournament play. **Any player disqualified during tournament play, is to remain on the team bench under the direct supervision of the coach.**

18. GOALKEEPER HARASSMENT

In the interest of good sportsmanship, spectators will not be allowed to stand behind the end lines during tournament games. Officials and police will be asked to enforce this ruling. It is suggested that participating schools have faculty members and/or principal attend the games their school is playing so as to assist in enforcing all rules. Administration should make themselves known to officials prior to the game.

19. MEDICAL COVERAGE

A licensed athletic trainer, physician, physician's assistant, certified EMT, or nurse practitioner will be available at all contests. This coverage will be provided and compensated by the Host School in tournament rounds at the site of the higher seeded team. The MIAA will compensate for this coverage at MIAA designated neutral sites.

20. BALL PERSONS – At neutral sites, the site director will assign ball persons. In the early rounds the home team must supply ball persons.

2023 Soccer Tournament

2. The College Board offers a SATR Program Alternate Test Date Policy. As stated in their published material: "The SAT Program will consider granting an alternate test date when the following criteria are met:"
 - a. *The conflicting event must be unexpected. Regularly scheduled sporting events or previously scheduled school activities, such as a prom, are not considered unexpected. An event such as an academic or athletic competition, in which students have advanced through the competition or into post-regular season competition, can be considered an unexpected event.*
3. SAT School Day: Allows high schools to administer the SAT to students during the school day, thus avoiding weekend athletic conflicts.
