3. Unified Basketball Review

122 schools, 1200+athletes, and 1022 partners participated in 610 regular season games. The committee recommended the following items for next season:

- Starting one week earlier
- The opportunity to play more games during the season
- Creating a spreadsheet for open games
- Sites for regular season doubleheaders and multiple opponents
- Kickoff events/jamborees to start the season
- Providing medals instead of ribbons for the jamborees
- Limiting jamboree schedules to the Friday before Thanksgiving
- Add dates not available to play on the jamboree intent to enter form

4. Unified Track and Field

A subcommittee will develop proposed changes for the Unified Track and Field postseason. The committee identified the following topics to review:

- Sectional vs. Performance Based Advancement to the State Meet
- Divisional/Sectional Development
- Potential Adjustments of Tiers
- State Meet Structure

5. Other

Unified Strength and Conditioning will take place in January and February. Middle Level Unified Basketball will take place in March.

A suggestion was made to create a resource of opportunities to keep students engaged during the offseason.

6. Meeting adjourned at 11:15am.
