- For those with ADA license plates or placards ONLY; parking will be made available at the Agganis Arena Garage (Lots A & C-2) located directly behind 925 Commonwealth Avenue by way of Buick Street.
- For those who are driving whose passengers may have BU mobility issues without ADA placards, please drop off individuals on Buick Street by way of Harry Agganis Way and looping around to Buick Street. Drop off should occur in the area shown in Figure 1 below.

Swim Participant Bus Parking:

Buses arriving for **Session 1** should park in the large curb cut-out beside Nickerson Field on Harry Agganis Way. Buses should park in a stacked manner as shown in Figure 2 below.

Once Session 1 has completed, swimmers should immediately make their way back to the buses so such that they may vacate the area in order for Session 2 buses to be able to park.

Buses arriving for **Session 2** should not arrive until 4:30pm to allow for Session 1 buses to fully vacate the parking area. If necessary, buses may need to circle around using Commonwealth Avenue to re-enter Buick Street if the space has not yet become available for them to park. Once parked, Session 2 buses may remain parked until the end of the session.
